

Invasive Species Council of British Columbia Application for Organization Membership

The **Invasive Species Council of BC (ISCBC)** is a collaborative and consensus-based charitable organization committed to reducing the damage created by invasive species in British Columbia. It relies heavily on the input and involvement of volunteers who are interested in supporting this goal. All members have an opportunity to participate in the Council's activities at a level that is comfortable for them, and are entitled to receive updates on the Council's work and invasive species management through regular newsletters. We welcome your interest and involvement!

The Council defines an "organization" as any one of the following:

- a society (e.g. non-profit organization, professional association or registered charity)
- a business such as a corporation, cooperative or partnership
- a First Nation
- a municipality or regional district

Please note that it is **integral** for the principle authority/representative of your organization to be the **only** person who provides this membership request and signature. **The organization appoints the following individual to be its representative for decision-making at meetings of the Council's members:**

Organization Name: _____

Owner/Principal's Name: _____ Title: _____

Representative's Name: _____ Title: _____

Address: _____

City/Town: _____ Postal Code: _____
