Invasive Species
Council of BC

SPOTTER JAY is on the alert for invasive species!

Activities Spotter Jay can help with:

- Cleaning mud and seeds off your bike, pets and shoes
- Finding and removing invasive species
- Not releasing pets or aquarium plants into the wild
- Practicing Clean Drain Dry on your boat, canoe and kayak
- Any other activity to help protect BC from invasive species!

Help us achieve 150 Spotter Jay activities this summer!

1. Print, colour and cut out Spotter Jay
2. Write your invasive species prevention activity on Spotter Jay's sign
3. Take a photo of Spotter Jay in action
4. Send your Spotter Jay photo to events@bcinvasives.ca by August 31, 2017
5. If possible, share your Spotter Jay on social media with the hashtag #SpotterJay
